## Career Vision

To contribute to building scalable web applications while continuously improving my technical skills.

## Profile

Hands-on developer with experience in building and maintaining web applications, focused on clean structure, reliability, and long-term maintainability.

## Technical Skills

**Frontend:** ReactJS, TypeScript, Redux Toolkit, HTML5, CSS3, TailwindCSS

**Backend:** Node.js, Express.js, NestJS

**Database:** MySQL, SQL

**Concepts:** REST APIs, MVC Architecture, State Management, Responsive Design

**Tools:** Git, GitHub, VS Code, Postman

## Education

### B.E — Computer Science & Engineering

Nandha College of Technology, Erode

2020–2024 (First Class)

### HSC — Subash Matric Hr. Sec. School

Tiruppur, Tamil Nadu

### SSLC — Subash Matric Hr. Sec. School

Tiruppur, Tamil Nadu

## Soft Skills

- Strong problem-solving skills
- Clean code and attention to detail
- Effective time management
- Team collaboration and communication

## Certificates

ReactJS — Great Learning

Git & GitHub — Coursera

Web Development Foundations — freeCodeCamp

JavaScript Essentials — SoloLearn

## Languages

English, Tamil, Hindi (Basic)

## Experience

### TCP International Inc.

*Apr 2025 – Dec 2025*

*Frontend Developer Intern*

- Developed reusable React components for internal dashboards.
- Integrated REST APIs and handled application state using Redux Toolkit.
- Improved UI responsiveness and optimized frontend performance.
- Collaborated with backend and UI/UX teams in an Agile environment.

## Professional Training

### Full Stack Development

*Jun 2024 – Feb 2025*

*Intern & Training*

- Built full-stack applications using ReactJS and Java.
- Developed RESTful APIs using Spring-boot and integrated MySQL databases.
- Implemented authentication, CRUD operations, and modular backend structure.

## Projects

### Full Stack Web Application

Developed an end-to-end web application with CRUD functionality and database integration.

**Tools:** ReactJS, Node.js, NestJS, MySQL

### Personal Portfolio Website

Designed a responsive portfolio to showcase projects, skills, and experience.

**Tools:** ReactJS, TailwindCSS

### User Authentication System

Implemented login and authentication flow with protected routes and access control.

**Tools:** ReactJS, NestJS

## Achievements

- Designed reusable UI components following best practices.
- Built and deployed multiple full-stack projects independently.
- Improved application structure and frontend performance.
